**PREVENT THE RAID ON EDUCATION DOLLARS
TO ADDRESS NASSAU COUNTY'S SELF-CREATED INDEBTEDNESS**

Over time Nassau-Suffolk School Boards Association has been successful in withstanding attempts by Nassau County to absolve itself from its legal obligation to hold school districts harmless for the costs of errors in its property assessments.

WE NOW NEED YOUR HELP

Although our position has been upheld in two recent court proceedings, Nassau County Executive Edward Mangano is pressing the County Legislature to amend the County Charter to unilaterally relieve the County from accountability for the errors and delays in its irrefutably flawed assessment system.

>**I am calling upon every Board of Education in Nassau County to pass the attached Resolution** at a scheduled or specially-called meeting and forward it to Nassau County Legislators, Town Council Members and New York State Senate and Assembly Members. (contact information is attached)

>The County Legislature is expected to address this at its Budget Hearing on **October 18th** (10:00 a.m., Nassau County Legislature, 1550 Franklin Avenue, Mineola). **School boards and community members must be noticeably present at this session.** Further details will be forwarded in N-SSBA's next communication.
